Hello, my dear new pen-friend!

My name is Olesya. I live in Ukraine. I am twelve years old. I am a pupil of the sixth form. I have got green eyes and long red hair. I am not very tall. I look like my mother.

My family isn't big. I have got a mother, a father and a little brother. My mother's name is Mariya, my father's name is Andriy and my little brother's name is Yuriy. Yuriy is five. He doesn't go to school. He goes to the kindergarten. He is very funny and sometimes he is naughty.

Now I am sitting at my desk and writing you this letter. I want you to know as much as possible about me. I can play the piano, but I can't play the guitar. I want to have lessons. Can you play any musical instrument? As for sports... I can play tennis and I can skate, but I can't ski. Are you good at sports? If you are a boy you can play football very well, can't you? And if you are a girl you can probably play tennis. I can ride a bike as I am sure you can do, too. I enjoy it greatly.

I like doing a lot of things. Playing computer games is SUPER! Listening to music is GREAT! Do you like music? Have you got any records? Have you got a computer at home?

I have been learning English for five years. I know a lot of English words, but it is not easy for me to speak. I think our friendship will help me a lot.

Looking forward to hearing from you.

Yours,

Olesya

P.S. Is my English OK?

Sorry for so many questions!

Notes For
the Adults

Guessing Games Kaleidoscope

Для того, щоб діти швидко запам'ятовували англійські слова і могли їх вживати в мовленні, найкраще тренувати лексику в реченнях, коротеньких діалогах, у формі запитань і відповідей.

Навчальні ігри "Guessing Games" (с. 12-13) дають змогу створити природні ситуації, коли діти, намагаючись відгадати задумане слово, ставлять велику кількість однотипних запитань. Під час гри вони вживають граматичну структуру багато разів. Ігрова ситуація знімає напруження, процес тренування проходить непомітно, гра приносить задоволення і радість.

У іграх "Guessing Games" немає відстаючих! Елемент випадковості ставить усіх на один рівень і додає дітям упевненості у їх можливостях говорити англійською мовою.

Грайте та вчіться разом із нами!

ONE SHOULD TRY

by R. L. Stevenson

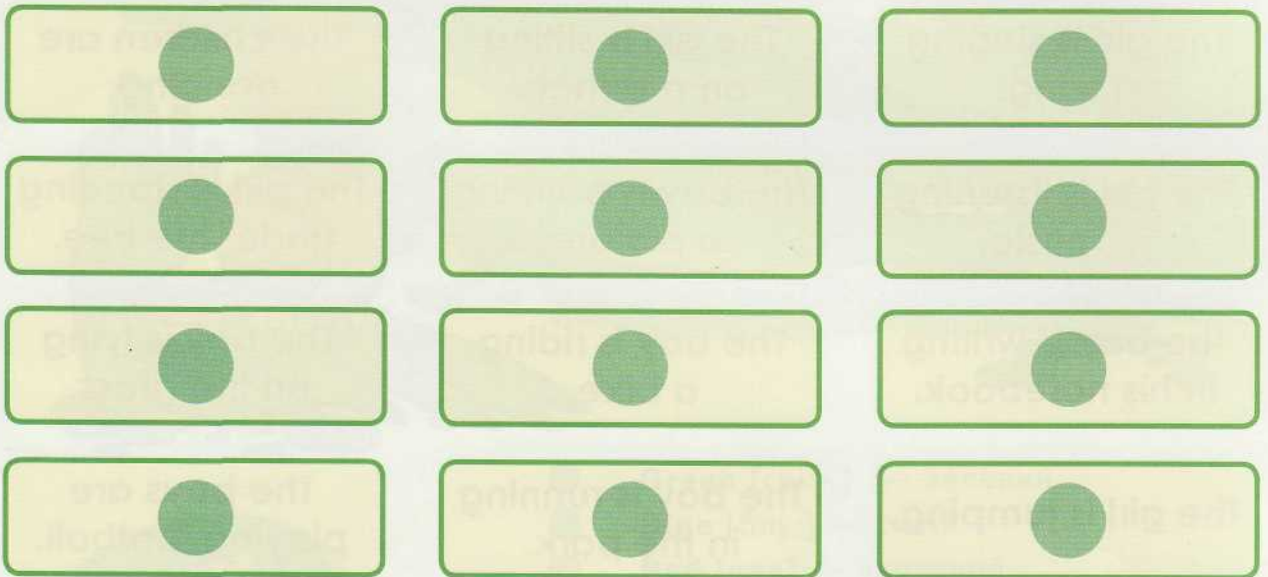

The little boy who says
 "I'll try,"
Will climb to the hill-top;
The little boy who says
 "I can't",
Will at the bottom stop.

DANCING

I know a little girl
Who comes from another land.
I can't speak her language.
I just take her by the hand.

We dance together
And have such fun!
Dancing is the language
You can speak with anyone!
